

2012 Valuation, M&A and LBO Modeling Boot Camp

Corporate Discount

The CFA Los Angeles is pleased to offer, in partnership with Wall Street Prep, one of Wall Street Prep's most popular courses to equip busy professionals and students with the financial skills they need on the job.

During this intensive 3-day training, participants will learn financial and valuation modeling in Excel using a hands-on, case-study approach. Modeling methodologies covered include financial statement modeling, valuation & DCF modeling and trading & transaction comps modeling. Instructors are all practitioners (investment bankers, equity research analysts, etc.) with a passion for teaching and years of directly relevant real-world experience.

Attendees can opt to register for 1, 2 or all 3 days of the seminar. It's your choice!

Corporate Discount Program

We offer a 10% corporate discount to any company that registers a minimum of five students. This discount is valid for the 1 day, 2 day, or 3 day course. The discount is based on the number of attendees; attendees may enroll for different durations. Additional registrations, after the initial six, will still receive the 10% discount. To qualify, the first five registrations must be made in a single transaction, payable by either credit card or check, and the names of the attendees must be provided.

Register attendees by faxing or emailing completed form to 213.613.1233, laura@cfala.org or mailing completed form and payment to 520 S. Grand Ave., Ste. 370, Los Angeles, CA 90071.
