CFA Society Los Angeles, Inc. is pleased to present the 2013 Annual Career Development Expo. In our presentation portion, this year's Expo features seasoned speakers and a panel of CFALA members at various career stages and in various fields. Each will share special insights and best practices on making the right moves at every career level. For our interactive portion, back this year will be the resume review/career consulting sessions, and new this year, we will have over 30 CFALA members/charterholders on hand to meet with you to answer any questions you may have. These individuals can

share their own personal experiences in the CFA program, their various career paths, share the cultures of their firms, and much more! Whether you are a student considering the many career paths in the finance industry, or someone who is looking to leverage existing experience, this Expo can benefit you! Plus, you will have a chance to meet and mingle with local company representatives and CFA Los Angeles Society members.

All attendees will also receive a free month subscription to Doostang.com Premium (a \$40 value)! Doostang is a job board and community of over 900,000 elite professionals with inside access to thousands of jobs from top employers.
