

The City Club is located in the North lower level of the Wells Fargo Center.

Although the Club's street address is on Grand Avenue, the address of the Club's parking structure is 330 South Hope Street.

Upon entering the parking structure, please follow the signage for the City Club to the North lower level of Valet Parking. You will take the elevator from the garage up to the ground level, where you will check in with security and continue to the 54th floor via another elevator.

The Club quarters are on the 54th floor of the North lower level, 333 South Grand Avenue.

Parking is a minimum of \$8.00 in the building; but parking on the street is often available. If you do not park at 330 S. Hope Street, please note that the front door of the building is locked (since 9/11) to force pedestrians to enter from the other side of the building, by the security console.

Parking charges:

When entering the parking garage after 4 pm, and all day on Saturday and Sunday, parking is a flat rate of \$8.00/car with a City Club stamp, which is given at the Club's front desk.

Please remember to bring your parking tickets with you, as we are unable to extend our partial validation without the ticket itself. It is suggested that you circulate this document to any guests for their convenience.

Monday – Friday, the first 2 ½ hours are \$8.00 with a City Club stamp. After 2 ½ hours, the amount will continue to escalate at a rate of \$4 for every 10 minutes thereafter, to a maximum rate of \$40/car.
