2025 CFA LEVEL III is divided into Core Curriculum and a choice of Specialized Pathway

The “Core Curriculum” will make up 70% of a candidate’s study material.

Each candidate will be able to choose a “specialized pathway” comprising 30% of their study material.

All paths lead to becoming a CFA Charterholder. No matter which a candidate picks, there will be a core component to all three pathways. It's identical across all three, teaching the same foundation and fundamentals. The specialized pathways dive deeper into how to apply that specifically in the context of their specialized path.
